## Subpart A—General

### § 1650.1 Definitions.

(a) Definitions generally applicable to the Thrift Savings Plan are set forth at 5 CFR 1690.1.

(b) As used in this part:

*In-service withdrawal* means an age-based or financial hardship withdrawal from the TSP that may be available to a participant who has not yet separated from Government service.

*Post-employment withdrawal* means a withdrawal from the TSP that is available to a participant who is separated from Government service.

[68 FR 35503, June 13, 2003, as amended at 70 FR 32215, June 1, 2005]

### § 1650.2 Eligibility for a TSP withdrawal.

(a) A participant who is separated from Government service can elect to withdraw a portion of his or her account balance in a single payment, or the entire account balance by one or a combination of the withdrawal methods described in subpart B of this part.

(b) A post-employment withdrawal will not be paid unless TSP records indicate that the participant is separated from Government service. The TSP will cancel a post-employment withdrawal election upon receiving information from an employing agency that a participant is no longer separated.

(c) A participant cannot make a post-employment withdrawal until any outstanding TSP loan has either been repaid in full or declared to be a taxable distribution. An outstanding TSP loan will not affect a participant's eligibility for an in-service withdrawal.

(d) A separated participant who is reemployed in a position in which he or she is eligible to participate in the TSP is subject to the following rules:

(1) A participant who is reemployed in a TSP-eligible position on or before the 31st full calendar day after separation is not eligible to withdraw his or her TSP account in accordance with subpart B of this part.

(2) A participant who is reemployed in a TSP-eligible position more than 31 full calendar days after separation and who made a post-employment withdrawal while separated may not withdraw any remaining portion of his or

her account balance in accordance with subpart B of this part until he or she again separates from Government service.

(e) A participant who has not separated from Government service may be eligible to withdraw all or a portion of his or her account in accordance with subparts D and E of this part.

(f) A participant can elect to have any portion of a single or monthly payment that is not transferred to an eligible employer plan or traditional IRA deposited directly, by electronic funds transfer, into a savings or checking account at a financial institution in the United States.

(g) If a participant has a civilian TSP account and a uniformed services TSP account, the rules in this part apply to each account separately. For example, the participant is eligible to make one age-based in-service withdrawal from each account.

### § 1650.3 Frozen accounts.

(a) All withdrawals from the TSP are subject to the rules relating to spousal rights (found in subpart G of this part) and to domestic relations orders, alimony and child support legal process, and child abuse enforcement orders (found in 5 CFR part 1653).

(b) A participant may not withdraw any portion of his or her account balance if the account is frozen due to a pending retirement benefits court order, an alimony or child support enforcement order, or a child abuse enforcement order, or because a freeze has been placed on the account by the TSP for another reason.

### § 1650.4 Certification of truthfulness.

By signing a TSP withdrawal form, electronically or on paper, the participant certifies, under penalty of perjury, that all information provided to the TSP during the withdrawal process is true and complete, including statements concerning the participant's marital status and, where applicable, the spouse's address at the time the application is filed or the current spouse's consent to the withdrawal.

## 5 CFR Ch. VI (1–1–10 Edition)

### § 1650.5 Returned funds.

If a withdrawal is returned as undeliverable, the TSP record keeper will attempt to locate the participant. If the participant does not respond within 60 days, the TSP will forfeit the returned funds to the Plan. The participant can claim the forfeited funds, although they will not be credited with TSP investment fund returns.

### § 1650.6 Deceased participant.

(a) The TSP will cancel a pending withdrawal request if it processes a written notice that a participant is deceased. The TSP will also cancel an annuity purchase made on or after the participant's date of death but before annuity payments have begun, and the annuity vendor will return the funds to the TSP.

(b) If the TSP processes a withdrawal request before being notified that a participant is deceased, the funds cannot be returned to the TSP.

(b) If a participant's account balance is less than \$5.00 when he or she separates from Government service, the balance will automatically be forfeited to the TSP. The participant can reclaim the money by writing to the TSP record keeper and requesting the amount that was forfeited; however, TSP investment earnings will not be credited to the account after the date of the forfeiture.

(c) If a participant's vested account balance is less than \$200 when he or she separates from Federal service, the TSP will automatically pay the balance to the participant at his or her TSP address of record. The participant
